Surety Bond Required for Sidewalk and/or Approach

Before issuance of a permit, the applicant shall file a surety bond in the amount of \$2,500.00, conditioned that said applicant will indemnify and save harmless the city and any person from all damages of every character arising from or caused directly or indirectly by negligence in the doing of the work, or for any imperfect or inadequate work done by the applicant, and that he will maintain such work in a good and workmanlike state of repair for and during a period of three years from and after its completion and acceptance by the city.

Maintenance Bond Required for Water and/or Sanitary Sewer Improvements and Street and/or Drainage Improvements

Prior to project final inspection, the applicant shall file a two-year maintenance bond, payable to the city, from an approved surety company doing business in the state, in the total amount of the contract, and in full force and effect at the time of request for final inspection.

The issuance or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance of the City of Bedford. Permits obtained shall not give authority to violate health and safety violations. The issuance of a permit based on construction documents and other data shall not prevent the building official from requiring the correction of errors in the construction documents and other data. I have read the completed application and know the same is true and correct and hereby agree that if a permit is issued all provisions of the City Ordinances and State Laws will be complied with whether herein specified or not. I agree to comply with all property restrictions. I am the owner of the property or the duly authorized agent.
